

October 1, 2011

*From the Desk of Bob Newsum,*

Greetings:

The official student enrollment count day for all Iowa public school districts is October 1. Because October 1 falls on a Saturday this year, the official count day for the 2011-2012 school year will be Monday, October 3. A significant portion of the revenues that are provided for public school districts is based on the number of students who are enrolled on the 'count day' and the number of students enrolled in the Martensdale-St. Marys Community School District for 2010-2011 was twelve fewer than the previous year. Thirty-eight high school seniors graduated last May and the number of kindergarten students in Mrs. Webster's and Mrs. Henson's classes this fall is forty-eight, for an increase of ten students. Several students who attended classes in our Martensdale-St. Marys classrooms last year have moved to other communities, but we have also welcomed many new students to our school this fall. The number of new students to our district outnumbers those who have moved from our district by approximately ten students. With these combined increased student enrollments, we expect our district enrollment to increase by approximately twenty students. Our increased student enrollment is good news for our district and indicates that our message of 'Small community ... HUGE results!' is bringing results.

On July 13, 2011, we received an official notification from Ms. Patti Harding, Administrative Consultant, with the Iowa Department of Education Bureau of Nutrition, Health, and Transportation Services regarding federally mandated hot lunch price increases. According to the calculator we were required to use, the Martensdale-St. Marys Community School District is below the minimum federally mandated nutrition fee level. Unless the district increases our hot lunch food prices for elementary and secondary students by five cents per meal, we will lose the reimbursement we receive for the free and reduced-price meals we serve. Beginning on Thursday, January 12, 2012, the first day of the second semester, the price for an elementary student lunch will be \$1.65 and the price for a secondary student lunch will be \$1.85. We do appreciate your understanding with this mandated lunch meal increase, but the district cannot afford the potential loss of free and reduced-priced lunch federal reimbursement.

The tentative date for delivery of the fall quarterly newsletter to all district mailbox holders is set for late October/early November. One of the features in this

newsletter is to highlight another of our high school graduates with an 'Alumnus Spotlight'. If you know of someone who graduated from Martensdale-St. Marys and has brought honor and pride to our district, community, and family through special achievement, invention, discovery, philanthropic activity, or in some other noteworthy manner, please call Bob Newsum, superintendent, at the district office (641-764-2466), on his cell telephone (641-203-8893), or via email [bob\\_newsum@mstm.us](mailto:bob_newsum@mstm.us) with your nomination.

For the past four months, I have been encouraging you to help us improve our efforts to provide timely and meaningful information to you. As the **district communications survey campaign ends on Monday, October 10**, this will be my final request for those of you who have not already done so to complete the short communications survey that the district communications committee has developed. You will be able to access and complete the communications survey electronically as a **link** on the Martensdale-St. Marys Community School District website [www.mstm.us](http://www.mstm.us). If you would rather complete a paper copy of the survey, they are available in any of the district administrative offices. Thank you, in advance, for supporting your school district and completing your survey.

*From the Desk of Mr. Crozier,*  
*Secondary Principal*

**Happy autumn to MStM parents and patrons!**

We are one month into the new school year and we are off to a great start. I have had the opportunity to meet with parents, the student council, and the 7<sup>th</sup> grade class already this year. These meetings have been informative and uplifting. One of my goals this year is to deepen lines of communication and increase parent and community involvement in our school. We will hold our first Parent Advisory Committee meeting on November 3<sup>rd</sup> at 6:00 PM – 7:00 PM in the ICN room. Remember, all parents are welcome to attend.

The 1:1 laptop program that was initiated last year continues to be successful. We have had a few problems starting off the year that have frustrated some parents and students. Please be assured that we are working on these issues and have most of them solved. If your child is having problems with their computer, have them report the problems to the office. Remember, your child is responsible for damages and use of the computer; continue to communicate with them about proper care and proper use. I attended a technology workshop at the Van Meter schools last month. Seeing what other 1:1 schools are doing gave me, and the teachers that attended,

several ideas of how we can continue to infuse technology to support our students' learning.

Des Moines Area Community College is putting in a career academy in the old JC Penney building at South Ridge Mall in Des Moines. This will provide opportunities for our students that we have not been able to offer before. These programs may include construction trades, mechanics and auto body, culinary arts, graphic design, and criminal justice, to name a few. Look for more information coming soon.

Martensdale-St. Marys School continues to set the pace in student achievement. Once again, we have met our Adequate Yearly Progress for No Child Left Behind for the 2010-2011 school year. More and more MStM students are choosing to engage in rigorous curriculum and the results are showing!

Remember, Parent/Teacher conferences are on November 1<sup>st</sup> and 3<sup>rd</sup>. This year's format will be the traditional format. Parents will have the opportunity to talk with all of their child's teachers in the teacher's classroom.

- November 1<sup>st</sup> 4:00 PM – 8:00 PM
- November 3<sup>rd</sup> 3:30 PM – 7:30 PM

It is great to be a Blue Devil!

**Music Dept.**

This fall, vocal music is everywhere. The High School Chorus recently performed the National Anthem for the Homecoming football game. Junior Taylar Furness and seniors Michaela McIlravy and Tayler Schad have also been singing the National Anthem at other sporting events.

Several students in the High School Chorus are preparing to audition for the Iowa High School Music Association's All-State Chorus. The audition is at Indianola High School on Saturday, October 22. These same students are attending the Simpson Honor Choir Festival on Tuesday, October 11. They will have the opportunity to sing three of their All-State songs in concert that night at 7:00pm. This performance is free to the public. Good luck, singers!

Junior High Chorus is preparing for the Norwalk Festival on Monday, October 17. Students will rehearse in the afternoon, and perform a concert at 7:00 that evening in the new Norwalk auditorium. There will be a small admission fee. This should be a fun experience to perform in their new facilities!

Thursday, October 20 is the fall concert for the Junior High and High School Choruses, as well as the Junior High and High School bands. The concert is at 7:00, and singers need to be at the school by 6:30 for warm-ups. Please bring a dozen cookies/bars for the reception after the concert.

Three students that need to be recognized are juniors Abby Wetzler and Taylar Furness, and senior Tayler Schad.

Abby Wetzler, junior at MStM auditioned and had the honor of being awarded a scholarship to the Simpson Orpheus Music Camp. Abby spent a week enjoying the atmosphere of Simpson College while attending music classes, practicing music, and preparing for the performances at the end of the week. Students from all over Iowa were selected to attend this camp, as well as from other states. Abby felt this was a like-changing event, because it was at this camp she decided to major in music at college. She enjoyed the experience, and made many special friends that she hopes will stay in her life for a long time.

Taylor Furness attended a camp this summer for students interested in music production, music business, or music performance. Her camp was at the McNally Smith College of Music in St. Paul, Minnesota. She collaborated with other students in composing a hip-hop song, and also performed it at the end of the camp before a large audience. Taylor also enjoyed the field trips to surrounding places that were music related, such as a place that made CD's. She made several friends, and plans on staying friends with them and going back to the same camp next year.

Taylor Schad, as well as Taylor Furness attended the Iowa State All-State Camp this summer during the first week in August. Almost 200 students spent two days learning this year's All-State music and then spent time in a recording session at the end of the camp. Dr. Rhodde, the chair of the music department at Iowa State, prepared students to audition in October. The singers worked hard, but also spent some time having snacks and making friends with teenagers from around the state. This is the second time that Taylor Schad has attended the Iowa State All-State camp, and enjoyed it very much. Her previous camp was in August of 2009 when she was a sophomore.

Please plan on attending the Fall concert here at MStM on Thursday, October 20, at 7:00pm. There is a free-will donation basket, with all proceeds going to support activities in the music department, both band and vocal.

Our younger students in grades 2, 3, and 4 are beginning to prepare music for their concert on November 17<sup>th</sup>. This concert will feature patriotic songs of America and should be very enjoyable!

**Twitter**

I will be tweeting live from home contests/events at MSTM\_BlueDevils. Of course, we want you at the game, but, this is a great way to stay informed if you cannot make it. I have to close with a sincere thanks and appreciation to everyone who has helped me in the early months of the 2011-

12 school year. The administration, teaching and coaching staff have been great. The parents who have volunteered to assist at home events, either in the concession stand or at the ticket gate, THANK YOU!

I must thank the Booster Club as a group, and its officers individually: Don Hatcher, Wade Gibson, Sandy Kordick, Susan Matlage-Simms, and Lesley Sweet. They do so much to create a better athletic program that most people do not even realize. They are an integral part of why MSTM is a small community, with big accomplishments! If you would like to get involved, please contact a Booster officer or me. Thanks, and let's support the Blue Devils!

With Blue Devil Pride,  
 Craig Huegel, A.D.

## From the Desk of Mrs. Sowder, Yearbook Advisor

### YEARBOOK NEWS:

There are a few extra 2011 yearbooks available for purchase at \$47. Contact Amy Sowder at [amy\\_sowder@mstm.us](mailto:amy_sowder@mstm.us) to purchase one.

Seniors and Parents of Seniors: Schedule your senior portrait session with a professional photographer as soon as possible. All yearbook photos (2 vertical senior portraits and one childhood photo) are due by December 21, 2011. E-mails were sent out the week of September 12 contacting parents about senior ads, photo sessions, and deadlines. If you did not get an e-mail, please contact Amy Sowder at the school.

### TAG NEWS:

TAG plans have been set for the school year now, with 52% of academically gifted students in grades 7-12 enrolled in advanced classes and 32% enrolled in college classes.

Contests offered to talented and gifted students include a variety of music/vocal contests, Josten's Photo, Knowledge Master Open (grades 7-8), Pride of Iowa Academic Bowl (grades 9-12), Visions of Inventiveness, NaNoWriMo, and National History Day.

Sophomore Anthony Rudich, freshman Alex Kim, freshman Connor Dunn, eighth grader Magen Andrasko, and seventh grader Anthony Dahmen will be representing MStM in Pella for National History Day in March 2012. They recently met to go over the contest theme, rules, and project options. The group will meet once a week to conduct research and craft their projects and will be mentored by Amy Sowder and Jodi Noga. Two trips to the Dunn Library at Simpson are planned to enhance research options.

NaNoWriMo is a new contest that some of our gifted youth will try this fall. From November 1 to November 30, sophomore Madison Hall, sophomore Elizabeth Gerdes, freshman Emma Johanson, freshman Emily Murphy, freshman Nicole Shutt, and seventh graders Dakota Gibson and Andrew Niklawski will write a novel of at least 50,000 words. They may not use any material that is already started prior to November 1 but write a brand new story in just 30 days. Once complete, they receive a certificate of accomplishment and are entered in the contest to be judged by literary experts.

The TAG music students will be headed off to a matinee of The Sound of Music at the Des Moines Playhouse this winter. Hopefully, they will have front row seats again, just like they did at Annie two years ago.

And the spring Enrichment Cluster is far off in the distance but much anticipated. Students who signed up to partake will create intricate and historic paper gliders that replicate the oversized counterparts from countries around the world like England and Germany. The group will end up at the city park in April to fly their gliders to see who created the best design.

## ENGLISH DEPARTMENT:

Seventh graders in English are currently embedded in their mystery unit by reading aloud a play and now are writing their own TV scripts styled after the class 60's TV series entitled The Twilight Zone by Rod Serling. These young writers have created sleuths who will solve a mystery and then they will act out their scripts on stage later in the month.

Literature Workshop I, a combined 7th and 8th grade reading class, wrapped up the autobiography Soul Surfer during Homecoming Week. Readers are now being offered differentiated instruction with each teacher, Ms. Lund, Mrs. Holloway, and Mrs. Sowder, leading a group of students in various activities from our new software program and the Signature Series reading booklets.

Our school is a member of Artsonia.com ([www.artsonia.com](http://www.artsonia.com)), the largest online student art museum. Artsonia showcases artwork from thousands of schools around the world. I posted over 1000 pieces of art last year.

In the art room, your students will be creating some beautiful art work that we would like to showcase on Artsonia. This opportunity allows parents and out-of-town relatives to see the work that your student is creating. Artsonia only uses a child's first name to ensure privacy. The program also allows you or family members to purchase merchandise with your child's artwork on it. The proceeds from the program will benefit our art department.

We will continue to use the accounts that we set up previously for the website. I will be sending home permission slips to those students not already enrolled. Please contact me if you need an additional permission slip or if you have any changes in your information. A second parent email can be added to the account. Please contact me if you would like another email address added to your account. The Artsonia website can be accessed from the school website on the Blue Devil Space under Angela Davidson. Please feel free to view Artsonia's website or contact me if you have any questions.

**Band Department**

The year is off to a great start in the band department. The High School band has been working diligently to perform all new music for the half time shows. This year, our shows consist of more current music including selections from a group named “Green Day” and the “Black Eyed Peas”.

The final field presentation will be October 7. This will include all band students from grades 6-12. This will be our All District Marching Band show. Students will need to be in the music room at 6 pm to be in the bleachers by 6:30 pm. I hope to see you all there!

The Junior High band was featured at Log Cabin Days at Indianola on Saturday, September 24. The group did a marvelous job and we received many compliments for our performance. Thank you to all of the High School students who mentored our Junior High performers that day!

Fifth grade band registration is Tuesday, September 27, at 7 pm in the music room. I am so excited this year to start a new group of fifth graders. They are enthusiastic and ready to begin to master their instruments.

Thank you to all for your support of the Music Department. Music Booster meetings are the second Tuesday of the month at 6:30 pm. Please feel free to drop in and keep up to date on all current music events.

**From the Desk of Mrs. Clark,**  
**Vocal Music Department**

This fall, vocal music is everywhere. The High School Chorus recently performed the National Anthem for the Homecoming football game. Junior Taylar Furness and seniors Michaela McIlravy and Tayler Schad have also been singing the National Anthem at other sporting events.

Several students in the High School Chorus are preparing to audition for the Iowa High School Music Association’s All-State Chorus. The audition is at Indianola High School on Saturday, October 22. These same students are attending the Simpson Honor Choir Festival on Tuesday, October 11. They will have the opportunity to sing three of their All-State songs in concert that night at 7:00pm. This performance is free to the public. Good luck, singers!

Junior High Chorus is preparing for the Norwalk Festival on Monday, October 17. Students will rehearse in the afternoon, and perform a concert at 7:00 that evening in the new Norwalk auditorium. There will be a small admission fee. This should be a fun experience to perform in their new facilities!

Thursday, October 20 is the fall concert for the Junior High and High School Choruses, as well as the Junior High and High School bands. The concert is at 7:00, and singers need to be at the school by 6:30 for warm-ups. Please bring a dozen cookies/bars for the reception after the concert.

Three students that need to be recognized are juniors Abby Wetzler and Taylor Furness, and senior Tayler Schad.

Abby Wetzler, junior at MStM auditioned and had the honor of being awarded a scholarship to the Simpson Orpheus Music Camp. Abby spent a week enjoying the atmosphere of Simpson College while attending music classes, practicing music, and preparing for the performances at the end of the week. Students from all over Iowa were selected to attend this camp, as well as from other states. Abby felt this was a like-changing event, because it was at this camp she decided to major in music at college. She enjoyed the experience, and made many special friends that she hopes will stay in her life for a long time.

She collaborated with other students in composing a hip-hop song, and also performed it at the end of the camp before a large audience. Taylar also enjoyed the field trips to surrounding places that were music related, such as a place that made CD’s. She made several friends, and plans on staying friends with them and going back to the same camp next year.

Taylor Schad, as well as Taylor Furness attended the Iowa State All-State Camp this summer during the first week in August. Almost 200 students spent two days learning this year’s All-State music and then spent time in a recording session at the end of the camp. Dr. Rhodde, the chair of the music department at Iowa State, prepared students to audition in October. The singers worked hard, but also spent some time having snacks and making friends with teenagers from around the state. This is the second time that Tayler Schad has attended the Iowa State All-State camp, and enjoyed it very much. Her previous camp was in August of 2009 when she was a sophomore.

Please plan on attending the Fall concert here at MStM on Thursday, October 20, at 7:00pm. There is a free-will donation basket, with all proceeds going to support activities in the music department, both band and vocal.

Our younger students in grades 2, 3, and 4 are beginning to prepare music for their concert on November 17<sup>th</sup>. This concert will feature patriotic songs of America and should be very enjoyable!

**Writing Is a Life Skill**

The three R’s—reading, ‘riting and ‘rithmetic—have not always gotten equal attention in school, but that’s changing. New programs and tests, like the revised writing oriented SAT, stress that children need to know how to express themselves clearly and creatively. While your children will learn *how* to write well in school, the best place for them to practice their skills and develop a love for writing is at home. Here are some ways to make writing part of their home lives, both during the school year and in the summertime:

**Add writing to your list.**

Making time for your children to write is as important as making time for reading.

**Have the tools on hand.**

While it's important to always have school supplies available at home, sometimes all it takes to get children interested in putting pen to paper is letting them choose a fun pen and a special notebook, or giving them their own special time on library or home computer word processing programs.

**Write in front of them.**

Children learn what they experience. Make sure they see you writing—whether it's a letter to a friend, a thank you note, a journal entry, or a letter to the editor. Ask them to add a few lines or even write their own.

**Praise their work.**

Make a big deal of their writing successes. When they've written something creative, fun, or thought-provoking, send copies to their grandparents and put the original on the refrigerator or bulletin board for everyone to admire.

**Make a book.**

If your children enjoy photography, have them collect some favorite pictures and write captions for them, or have them write short stories that tie them together. Help them make title pages (featuring their name in big letters as the authors), add a few staples, and they've made a book.

**E-mails are OK; IMs aren't really writing.**

This technologically-savvy generation writes more than ever, thanks to computer instant messages (IMs) and e-mails. In fact, the accepted use of symbols and lack of proper grammar may not help children's efforts at creative writing. While IMs are quick and fun, they do nothing to help children become better writers. E-mails are better because they allow time and space for children to express themselves. Encourage them to send e-mails to you or to other relatives.

**Pay attention to song lyrics.**

If your children enjoy music, look up the lyrics of their favorite songs. Talk about what the songwriter was saying, and encourage them to try writing their own lyrics about things that are meaningful to them.

**Use the Web.**

Google sites geared towards children that offer games and writing activities.

Another suggestion is that when you're reading a story or watching a movie together, pause and ask your child a "what if" question— *i.e.*, "What if the Mom came home while the Cat in the Hat was still in the house? Tell me everything you think would happen then." Then ask your child to write about it.

Writing is much more than a school subject; it's an essential life skill. People who know how to clearly express their opinions, ideas, creativity, and knowledge have a real edge. With your help, your children will be among them.

*From the Desk of Mrs. Pribil,*  
**Counselor's Corner**

We have had a great start to the school year! Homecoming Week was a lot of fun for the kids and it was neat to see them participate in the dress-up days. We have a couple of things coming up in October to keep in mind. Our first Character Counts assembly will be held on Friday, October 7 at 8:40 in the small gym. One student from each classroom will be recognized for demonstrating the character counts pillar Trustworthiness. Red Ribbon Week is October 24-28. I will be doing drug-awareness activities with each class and we will have dress-up days. Each child will receive a red ribbon and they are encouraged to wear it every day that week.

I am in the process of starting small group counseling sessions for students in grades PK-6. I am looking for kids who could benefit from a friendship, anger management, or school success group. The one-on-one paraeducator for this student will not be returning for the upcoming school year. Mrs. Gavin provided numbers of hiring someone in our district to drive a school van and also provided costs for hiring a one-on-one paraeducator to ride with this student, but did not consider the costs of fuel and mileage on the vehicle.
