

July 1, 2012

Message from Dr. Bob Newsum  
Superintendent

Patriotic Greetings:

We hope you have enjoyed the first half of your summer vacation and have taken advantage of the early variety sweet corn that is now available in central Iowa, due to the early spring planting season. The tomatoes and beans in our home garden are also looking very healthy. Our high school varsity baseball and softball teams continue their winning ways, with the baseball team currently rated fourth in Class 1A and the softball team currently rated third in Class 1A. If you have not already done so, please find time to attend one of the remaining home Martensdale-St. Marys varsity baseball or softball games. You will not be disappointed!

The Martensdale-St. Marys Community School District has relied on the Physical Plant and Equipment Levy (PPEL) for many, many years to provide important 'maintenance' funding to repair roofs, playgrounds, and sidewalks; purchase transportation vehicles like activity buses and vans; purchase musical instruments for our band program; support classroom technology; and more. Well-maintained school buildings, athletic facilities, and grounds are an essential part of our school community and you have been an important member of our school-community. We have listed several Frequently Asked Questions related to the renewal of the district Physical Plant and Equipment Levy vote.

**When is the community vote to renew the district Physical Plant and Equipment Levy (PPEL)?**

On Tuesday, September 11, 2012, you will be asked to vote on a renewal of the district Physical Plant and Equipment Levy.

**How much does this levy generate and for how long?**

Maximum length of the voter-approved Physical Plant and Equipment Levy program is ten years. The current levy expires on June 30, 2013. Our district voter-approved Physical Plant and Equipment Levy program provided approximately \$80,000 per year for the past ten years.

**Will the passage of the Physical Plant and Equipment Levy raise my property taxes?**

Renewal of this levy will **not** increase your property taxes. The district is asking you to continue the voter-approved Physical Plant and Equipment Levy at the same rate (sixty-seven cents per \$1,000 of assessed property valuation) that has been in place for at least the last ten years.

**Because of recent school district budget deficiencies, why hasn't the Physical Plant and Equipment Levy program been used to offset the general fund?**

Physical Plant and Equipment Levy revenues **cannot** be used for salaries, textbooks, or new educational programs. The requirements for use of Physical Plant and Equipment Levy funds are very specific and limited to maintenance, technology, and equipment.

**What are examples of the types of things the Physical Plant and Equipment Levy revenues can be used for?**

Physical Plant and Equipment Levy funds can be used for technology, such as computer purchase and replacement; musical instrument purchase and replacement; roofing repair and replacement; masonry repairs; energy conservation improvements; concrete and asphalt repairs and replacement; school grounds landscaping and improvement; and school transportation vehicle purchase.

**What happens if the voter-approved Physical Plant and Equipment Levy does not pass?**

Some projects and purchases still need to be completed and would have to be funded by other revenue sources, such as the general fund, where approximately 80% is dedicated to salaries. Our district would struggle to meet the maintenance requirements for our facilities and grounds without the voter-approved Physical Plant and Equipment Levy in place.

**What is the difference between the Physical Plant and Equipment Levy program and the state one cent sales and services tax program?**

For the Martensdale-St. Marys Community School District, the Physical Plant and Equipment Levy program is used as a maintenance and facilities improvement fund and the state one cent sales and services program is used for major capital improvement projects, such as the new football and track complex.

## Where can I learn more about the district Physical Plant and Equipment Levy program?

If you have questions or want to learn more about our Physical Plant and Equipment Levy program, please call Bob Newsum, Superintendent, at school (641-764-2466), on his cell telephone (641-203-8893), by email at [bob\\_newsum@mstm.us](mailto:bob_newsum@mstm.us) or stop into the district main offices for a visit.

### 2012-2013 REGISTRATION

The 2012-2013 registrations dates and times are:

8/8/12 - 8am to 4pm

8/9/12 - 12pm to 8pm

8/9/12 - 7<sup>th</sup> grade orientation - 6pm-7pm

### MINUTES OF BOARD MEETING MAY 14, 2012

The Board of Directors of the Martensdale-St. Marys Community School District met in regular session, pursuant to law, on May 14, 2012.

Members Present: President, Nicole Bunch; Vice President; Dave Shutt, Wade Gibson, Amy Harper and Dean Furness; together with Superintendent Bob Newsum and Business Manager Jill Gavin.

Members Absent: None

- I. Welcome – Board President  
Mrs. Bunch called the meeting to order at 6:30 p.m. and welcomed all guests.
- II. Consent Items
  - A. Approval of Minutes  
Board President
  - B. Approval of Agenda  
Board President
  - C. Approval of Bills and Secretary's Report  
Board President
  - D. Approval of Hot Lunch and Activity Reports  
Board President

Mr. Gibson motioned to approve the consent items, seconded by Mr. Furness. Roll Call: 5 ayes.
- III. Celebrations  
Mr. Wood announced to the Board that the Elementary had their annual Fun Run and Field Day on May 11. They had the best weather yet since we have started this event. The lower elementary grades

ran around the track while the upper grades ran on the bike trail from the track to the Churchville mark and back. The teachers were also included in a field race of the 100 yard dash where Mr. Spanhut came in first with Mrs. Pribil coming in a close second. Mrs. Sherwood organized several field events and field races for the kids, too. A huge thank you to Kandance Dunn for organizing the event, to Lorretta Bell and the kitchen crew for the sack lunches that they prepared, to Mrs. Sherwood for organizing the field events, and for all the teachers and staff members who helped as well.

Mr. Wood announced that we are now at our maximum for preschool students for the 2012-2013 school year. He informed the Board that eight out of the 35 students would be eligible for Kindergarten and with the changes being made to the preschool program we can now receive full tuition for those students. The current count for the 2012-2013 Kindergarten class is now 34. MStM will be graduating 47 students on May 20<sup>th</sup>. The Administration is hoping our Kindergarten numbers will increase some during the summer.

Mr. Crozier announced that they had a successful Student Council Retreat. He also informed the Board that the home track meets are now done and wanted to give a huge thank you to the community members and staff members who helped in the concession stands and field events and field races. The girls track team won their Regional meet and have ten events heading to the State meet this week. The boys track team will also have a good representation at the State Track meet this week. Good Luck Blue Devils!

- IV. Public Comments  
Tarry and Jodi Pote – open enrollment request
- V. Old Business
  - A. Reports  
Supt. Newsum
    - 1) MStM Music Booster Minutes - April 10<sup>th</sup> and May 8<sup>th</sup> minutes were provided along with the Treasure's report.
    - 2) MStM Athletic Booster Minutes – April 11<sup>th</sup> minutes were provided.
    - 3) MStM PTO Minutes – April 10<sup>th</sup> minutes were provided.

Mrs. Harper wanted to thank all of the Booster clubs for all the work that they have done this year.
  - B. Presentations
    - 1) Principal's Report Mr. Wood

Mr. Wood reviewed the Acceleration policy for the district which is part of the overall TAG program. It will replace the current

indicators that are no longer available. It will align the process and identification procedures with the appropriate Response to Intervention methods. This is the appropriate time to implement with the Iowa Core implementation and math curriculum materials adoption. The schedule will allow common math time in grades 3-6 as well as alignment between 6<sup>th</sup> grade and 7<sup>th</sup> grade. The common math time will allow interventions and acceleration to occur across grade levels.

Mr. Wood addressed the need to approve the preschool handbook for the 2012-2013 school year. The preschool parent meeting was held recently and changes have been made for the upcoming site visit. Home visits are required and will be done the first three days of school to avoid the teachers having to make a lot of home visits in the evenings. The preschool students' first day of school will be August 27, 2012. Several compliance items are now covered in the handbook to meet the Iowa Quality Preschool Program Standards. Other major additions include proof of hours of instruction and "a child's day".

Mr. Wood informed the Board about the current discussions on elementary grading procedures. He provided a sample report as a template. The goal is to find consistency between grades and move from awarded grades to a true progress report. Discussions were made about moving to a trimester reporting system to align with our assessment periods. This would line up with DIBELS and benchmarking testing. Mr. Wood is not looking to implement these changes during the first quarter of the school year. The discussions by the Board included students striving for the A, how it correlates to the Honor Roll, educating the students and parents about the change, how this would align with the Iowa Core, having all assessments go towards one goal, having this transition start in the elementary grade levels. Mr. Wood explained that most elementary schools in the metro area are using a grading system similar to this and the conversion will eventually be state wide.

Mr. Wood provided to the Board additional reading data for the 6<sup>th</sup> grade class. This included DIBELS and benchmarking data using the Treasures materials. He stated there is a strong correlation between fluency and accuracy and comprehension.

2) Principal's Report Mr. Crozier

Mr. Crozier went over how the Student Council Retreat went with the Board. Fifteen students attended the retreat at the Blank Park Zoo. The representatives addressed concerns and ideas from their peers prior to the retreat. The students had great ideas for advisory lessons and how to discipline students who are disrespectful to teachers. Mrs. Harper was impressed on how long the list of ideas was. Baccalaureate was held at Interstate 35 and six students attended the event. The Fine Arts/Academic Awards Night will be held on May 15<sup>th</sup>. Graduation is being held on May 20<sup>th</sup>.

#### April Students of the Month

7<sup>th</sup> Grade – Andrew Shutt  
8<sup>th</sup> Grade – Ari Conner and Lane Gehringer  
9<sup>th</sup> Grade – Brianne Connor  
10<sup>th</sup> Grade – Vicki Kordick  
10<sup>th</sup> Grade – Anthony Rudick  
11<sup>th</sup> Grade – Katie Schrodt  
12<sup>th</sup> Grade – Dylan Cosner

#### 3) Curriculum Director's Report

Mr. Moser

Mr. Moser reviewed with the Board the Professional Development plan for 2012-2013. The primary focus will be on a learner center. He provided a status report on curriculum maps and notified the Board that some teachers will need to come in over the summer to update their maps. He attended the C-Plan meeting that went over how to complete many different reports in one document instead of submitting five or more documents.

#### 4) Superintendent's Report

Supt. Newsum

Mr. Newsum handed out the updated school board brochures and the May newsletter to the board members. Mr. Newsum has begun the promotion of the renewal of the existing district voted physical plant and equipment levy program. The public vote to extend the voted PPEL program is set for September 14<sup>th</sup> and we only need a simple majority to extend the voted PPEL program for ten more years. Mr. Newsum will ask that the Board formally approve the referendum statement at the June 2012 regular board meeting. This is very important for the district to maintain to help with buildings and grounds of the school district. If we did not receive this money the district would have to dip in to other funds. The district

could vote again in six months if it did not pass in September.

VI. New Business

A. School Board Recognition Week  
Supt. Newsum

Mr. Newsum presented certificates to each board member thanking them for all their hard work and investing their time, efforts and talents to the MStM school district.

B. Approve Resolution for Adoption of Revised Director District Boundaries  
Supt. Newsum

Mr. Gibson introduced the following resolution to resolve that the Board of Directors of the Martensdale St. Marys Community School District is divided into five single director districts and that all directors must reside within the district for which they represent. Mr. Gibson motioned to approve the adoption of revised director district boundaries, seconded by Mr. Furness. Roll call: 5 ayes.

C. Approve Iowa Association for Educational Purchasing Agreement  
Supt. Newsum

Mr. Gibson motioned to approve the 2012-2013 Iowa Association for Educational Purchasing Agreement, seconded by Mrs. Harper. Roll call: 5 ayes.

D. Approve Personnel Resignations  
Supt. Newsum

Mr. Furness approved the resignation of Sue Nickum as special education bus driver effective at the end of the school year, seconded by Mr. Furness. Roll call: 5 ayes. Mr. Shutt would like to have a Transportation Committee meeting to discuss the condition of the special education bus.

E. Approve Personnel Recommendations  
Supt. Newsum

Mr. Furness motioned to approve the recommendation to hire Tucker Guion as JH Baseball Coach, Tyson Minella as Assistant JH Baseball Coach, and Steve Westphal as Volunteer HS Baseball Coach, seconded by Mr. Shutt. Roll call: 5 ayes. Mrs. Bunch recommended additional mentoring and support from Coach Dehmer and Mr. Huegel for a positive season.

Mr. Furness motioned to approve Todd Verwers as JH Softball Coach and to receive the overload pay for his additional duties instead of hiring an

assistant JH softball coach, seconded by Mr. Shutt. Roll call: 5 ayes. Mrs. Harper recommended asking a parent to help volunteer to chaperone when needed and/or a high school softball player to assist him on a volunteer basis.

F. Approve 2012 Graduates  
Supt. Newsum

Mrs. Harper motioned to approve the 2012 Martensdale St. Marys Graduates, seconded by Mr. Gibson. Roll call: 5 ayes.

G. Discuss/Approve 2012-2013 Registration Fees  
Supt. Newsum

Mr. Newsum recommended increasing registration fees \$10 for Elementary, Jr. High and Sr. High due to adding Industrial Arts program back and the increased cost of purchasing the new math textbook series. Discussions were also made regarding losing 47 in the Senior class and only having 34 signed up for Kindergarten. The Board did not want to increase the computer fee. Mrs. Harper suggested putting a cap on fees for larger families. Mr. Furness motioned to table approving registration fees for 2012-2013 until the June regular board meeting, seconded by Mr. Shutt. Roll call: 5 ayes.

H. Discuss/Approve 2012-2013 Lunch Program Fees  
Supt. Newsum

Mr. Newsum informed the Board that the district did the calculations again for school lunches and we will be required to raise our prices again for the 2012-2013 school year. He recommended we increase the lunches by \$0.05 at the beginning of the school year and again in January of 2013. Mr. Shutt motioned to approve increasing the K-6 lunches from 1.65 to 1.70 and increasing 7-12 lunches from 1.85 to 1.90 and will then increase the lunches again in January 2013 another \$0.05, seconded by Mr. Gibson. Roll call: 5 ayes.

I. Discuss/Approve 2012-2013 Activities Pass Fees  
Supt. Newsum

Mr. Newsum recommended keeping the activity pass fee the same for 2012-2013. Mr. Harper was concerned that families and students were not buying activities passes like they have done in the past and was concerned that the prices were too high. Mrs. Harper requested data on how many passes have been sold over the past 5-10 years. That information was not available but tracking of that information will start. Mr.

Furness motioned to approve keeping the prices the same for the activity passes for 2012-2013, seconded by Mr. Gibson. Roll call: Ayes: Mr. Furness, Mr. Gibson, Mr. Shutt and Mrs. Bunch. Nays: Mrs. Harper.

J. Discuss/Approve 2012-2013 Secondary Computer Fees Supt. Newsum

The Board agreed not to increase computer fees for the 2012-2013 school year. Plans for purchasing additional laptops were decided on earlier in the school year by the Board. Laptops were purchased for half of the teachers and laptops will be purchased for the other half of the teaching staff after July 1. The administration will look at purchasing laptops for the students in 2013-2014 for that year's freshman class and retire the laptops used by the seniors to be used as replacements laptops. Mr. Furness motioned to keep the computer fee the same for the 2012-2013 school year, seconded by Mrs. Harper. Roll call: 5 ayes.

K. Approve Grandwood Educational Center 28E Agreements Supt. Newsum

Mr. Newsum received a letter from the superintendent for the Woodward-Granger Community School District regarding the Grandwood Educational Center for students with special needs and 28e agreements for 2011-2012 and 2012-2013. We were notified in January that the Grandwood program had been audited and it was determined that the district had made inappropriate claims for funding for the educational program. There was some thought that the program would be closed and the twenty-five districts that sent thirty-nine students to Grandwood would be left to provide alternate special education programming. Mr. Wood and Mr. Newsum attended a meeting and learned that a negotiated agreement had been reached with the Iowa Department of Education to continue the special education program next year, but the costs for districts sending students would increase to cover the actual costs for running the program. The Martensdale-St. Marys Community School District will be billed an additional \$3,300 for actual expenses incurred during the 2011-2012 school year and the tuition for 2012-2013 will increase slightly, as well. The Grandwood program has been highly successful for a current MStM student and the district does not really have a 'Plan B'. Mr. Newsum recommended that the board approve the continuation of the 28e arrangement with the Woodward-Granger Community School District. Mr. Gibson motioned to approve the Grandwood Educational Center 28E agreements for the 2011-2012 and 2012-2013 school years, seconded by Mr. Shutt. Roll call: 5 ayes.

L. Approve TAG Handbook Addendum 2012-2013 Supt. Newsum

Mr. Gibson motioned to approve the TAG Handbook Addendum for 2012-2013, seconded by Mr. Furness. Roll call: 5 ayes.

M. Approve Preschool Handbook 2012-2013 Supt. Newsum

Mr. Shutt motioned to approve the 2012-2013 Preschool Handbook, seconded by Mrs. Harper. Roll call: 5 ayes.

N. Consider Approval to Ratify the Negotiated Agreement with the MStM Education Association

The MStM Education Association and the MStM School Board met for mediation on Tuesday, May 8, 2012. The Association and the School Board reached a settlement for the Certified Staff for the 2012-2013 school year with an increase of 3.9% that includes an increase of \$750 on the base, with a total package increase of \$97,266. The district will receive \$64,646 in new money and additional \$5,000 for teacher salary supplement funding for 2012-2013. Mrs. Bunch informed the rest of the Board that after sorting the schools that the state average for money on the base was \$525 and the state average of percent increase in salaries was 3.78%. The MStM base salary is third from the bottom for schools of similar size. Mr. Newsum recommended that the Board ratify the negotiated agreement with the MStM Education Association. Mr. Furness motioned to ratify the negotiated agreement with the MStM Education Association with an increase of 3.9% that includes an increase of \$750 on the base, seconded by Mrs. Harper. Roll call: 5 ayes. The Board will set a date to discuss the increase for the administration staff, classified staff and bus drivers.

O. Discuss/Approve Open Enrollment Request Supt. Newsum

After much discussion Mr. Gibson motioned to approve the open enrollment request to Indianola CSD for the 2012-2013 school year, seconded by Mr. Furness. Roll call: 5 ayes.

P. Approve Textbook Adoption Agreement – Everyday Math Supt. Newsum

The Board had an in depth discussion regarding the textbook adoption agreement for Everyday Math for the 2012-2013 school year. A

representative has come in to train the teachers with the new math, parent letters will be sent home throughout the year, there will be online integration for parents and students, and the teachers have been provided with free apps for their Ipads to assist in the transition. Mrs. Bunch asked if this program is just a new fad and will go away after a few years. Mr. Moser has a great deal of research behind this program, they visited other districts that are using the program and have renewed the program for the third time. Mr. Moser stated that the teachers have bought into the program. Norwalk has been using the program for nine years now and are going to renew again. They have a great network of support with the other districts. They have seen the tremendous growth in the program, strong backing, built in differentiation and a quick turnaround of increase in scores. Mr. Furness motioned to approve purchasing the textbook adoption agreement of Everyday Math for 2012-2013, seconded by Mrs. Harper. Roll call: 5 ayes.

Q. Confirm – Next Meeting Dates

Supt. Newsum

06/06/12 – Agenda subcommittee by e-mail

06/07/12 – No Board Agenda Meeting

06/11/12 – 5:00 p.m. Board Meeting

VII. Adjournment

Mr. Furness motioned to adjourn the meeting, seconded by Mrs. Harper. Roll call: 5 ayes. Time: 8:35 p.m.

APPROVED

**MINUTES OF BOARD MEETING  
MAY 22, 2011**

The Board of Directors of the Martensdale-St. Marys Community School District met in special session by conference call, pursuant to law, on May 22, 2012.

Members Present: President, Nicole Bunch; Vice President; Dave Shutt, Amy Harper and Dean Furness; together with Superintendent Bob Newsum and Business Manager Jill Gavin.

Members Absent: Wade Gibson

I. Welcome – Board President

Mrs. Bunch called the meeting to order at 12:00 p.m.

II. Public Comments – None

III. New Business

A. Consider Approval for Classified Staff Contracts  
Mr. Shutt motioned to approve the Classified Contracts with a 3.9% increase for the 2012-2013 school year, seconded by Mr. Furness. Roll call: 4 ayes.

B. Consider Approval for Administration Staff Contracts

Mr. Shutt motioned to approve the Administration Staff Contracts with a 3.24% increase for the 2012-2013 school year, seconded by Mr. Furness. Roll call: 4 ayes.

C. Consider Approval for Extra Curricular Staff Contracts

Mr. Furness motioned to approve the Extra Curricular Staff Contracts with a 3.9% increase for the 2012-2013 school year, seconded by Mr. Furness. Roll call: 4 ayes.

D. Consider Approval for Bus Drivers Contracts

The Board requested to base their increase by total mileage. Mr. Shutt motioned to approve to spend a total of \$4,000 to the bus drivers based on mileage at the end of the 2011-2012 school year, seconded by Mr. Furness. Roll Call: 4 Ayes.

E. Discuss/Approve 2012-2013 Registration Fees

Mrs. Harper motioned to approve to keep the registration fees the same for the 2012-2013 school year, seconded by Mr. Furness. Roll call: 4 ayes.

F. Approve Resignation

The following resignations have been received by the District:

Melissa Jensen – Assistant Volleyball Coach  
Marcy Roff – Science Teacher / Junior High Volleyball Coach

Mrs. Harper motioned to accept the resignations of Melissa Jensen and Marcy Roff, seconded by Mr. Shutt. Roll call: 4 ayes.

IV. Adjournment

Mr. Furness motioned to adjourn the meeting, seconded by Mrs. Harper. Roll call: 4 ayes. Time: 12:55 p.m.
