## Junior High/High School (7-12)

### Priorities:

Learning will be mainly focused around maintaining current skills and building knowledge around content found in curriculum review documents, including addressing gaps in skill and content knowledge

The primary learning platform and communication mechanism between teachers and families will be Google Classroom and JMC.

Students will have both online and off-line learning activities. These opportunities are provided Monday through Friday. Synchronous classes will occur as scheduled Monday - Friday using a modified period schedule with student attendance days divided into an A/B Day format. Students whose last names begin with A-K will be on-site on A Days, and students whose last names begin with L-Z will be on-site on B Days. When students are not on site, they will be expected to attend their regular classes via online learning platforms, depending on the nature of the instruction and planned learning activities

Teachers will provide live online learning (via Zoom, Google Meet, or other District-approved application) for each class that will also be recorded and made available to students to watch at any time.
