### **2020-2021 Winter Activities Spectator Expectations**

#### **All Activities**

1. If expectations are not met, spectators may be asked to leave. Please follow these simple expectations so our deserving students athletes get every opportunity to compete.
2. Anyone experiencing COVID-19 signs or symptoms should NOT attend an event until they are symptom free for at least 24 hours.
3. ALL spectators over 2 years old must wear masks.
4. Each athlete listed on the roster is allowed 2 spectators. Cheerleaders and managers are not considered to be athletes in this situation, just players.
  - a. Admission prices remain the same for spectators.
  - b. Activity passes will still be accepted at home events.
  - c. No POI Conference passes will be accepted.
5. Exact change for admission is strongly encouraged.
  - a. JH Basketball-\$3 for adults and students
  - b. JH Wrestling-\$3 (no spectators allowed at meet on Monday, 1/25/2021)
  - c. All levels of HS Basketball-\$3 for students, \$5 for adults
  - d. All levels of HS Wrestling-\$3 for students, \$5 for adults
6. Upon arrival to a contest, each spectator will need to tell the ticket takers who they are there to watch. Once there are two names listed next to a student's name, no other spectators will be allowed in under that student's name.
  - a. Please make sure you are communicating with other family members about who is going to an event on any given night. We don't want anybody showing up to watch someone that already has two spectators signed in under their name.
7. Two spectators are permitted for each athlete participating in a game. Separate games are separate gatherings. So where there are two separate games, during each game, there may only be two spectators for each athlete participating in that game. Spectators would need to leave, or wait to arrive, as applicable, unless they are one of the two spectators for an athlete in the other game.
8. No extra activities or gatherings will be allowed at any activity venue.
9. Spectators are asked to bring their own hand sanitizer.
10. There will be no post game gatherings. After the contest, all spectators are expected to leave the facility immediately.
11. All spectators attending any event at Martensdale-St. Marys should maintain social distancing whenever possible.
12. Concession stands will only be open for high school events, and options may be limited. Customers are expected to continue social distancing and wearing masks while in line for concessions.
13. The first two rows of bleachers in our high school gym are off limits to spectators.
  - a. One exception would be to allow for handicap seating.
  - b. The two rows behind the team benches are also off limits to spectators.
14. The first row of bleachers in our elementary gym is off limits to spectators.
  - a. One exception would be to allow for handicap seating.
15. Spectators are expected to sit in the bleachers behind the team they are at the game/meet to support.

Thank you for your understanding and cooperation.
