

Dear Families of Prospective Kindergarteners,

Round Up for prospective kindergarten students will take place on August 23-24, 2021. ROUND UP will consist of two full school days where the classroom teachers will have the opportunity to do readiness assessments to determine classroom placement. This will take the place of Round Up that has previously been in May. There will not be an in-person parent meeting, but teachers will be providing a kindergarten readiness checklist and other items to parents in advance.

There will be no school for the students on August 25. This day will provide the opportunity for the teachers to prepare for the official "First Day of Kindergarten" on August 26th. You will be informed of your child's classroom teacher on August 25th.

Please contact the elementary school office if you intend to enroll your child for kindergarten beginning in August. You may email Jessica Hart, elementary administrative assistant, of your intentions. (jessica_hart@mstm.us) Per state law, your child must be 5 years of age by September 15th to enroll. Don't hesitate to contact us with any questions.

Ms. Happe, Elementary Principal
