The Community and its schools

Martensdale-St.Marys Community Schools is community-focused and full of heart and we are proud of the opportunities we are able to offer our students in the areas of academics, performing arts, and athletics.

MSTM is geographically located in south-central Iowa, just minutes from the Des Moines metro area. Our PreK-12 students attend school in one building, which is located in Martensdale, just east of Interstate 35 on Highway 92. As a district serving approximately 550 students, we are uniquely positioned to offer that small-school atmosphere while still having easy access to all of the amenities offered in the Des Moines area.
